

Himmel Pharmaceutical Sales System

RECOVERY MODE GUIDE

Himmel Pharmaceutical Sales Management System — Recovery Mode Guide

Overview

Emergency bypass procedures for system locked accounts or lost administrator credentials.

Accessing Recovery Mode

1. Click ****Emergency Recovery**** on the main login screen.
2. Enter the recovery key: `HimmelAdmin2026!`.
3. Perform administrative account unlock or credentials reset. All recovery actions are logged to the non-repudiable audit trail.
